Dear Prof. Maurer,

I wish to join the GA²LEN UCARE network and hereby apply for our Department to become a GA²LEN Urticaria Center of Reference and Excellence (UCARE).

>> Please explain why you want to become a Urticaria Center of Reference and Excellence?

I have read the 32 requirements (see document: "GA²LEN UCARE requirements and deliverables.pdf") and confirm that I fulfil the requirements and deliverables.

Thank you very much in advance for your answer.
